

### Valley Park Woodlands Local Nature Reserve, Chandlers Ford

**Grid reference: SU420203**

Comprising of ancient woodland with a mixture of woodland rides, open glades, ponds and rough grassland, the woodlands have been managed by Test Valley Borough Council since 1998. Rich in wildlife as well as archaeology the woodland is home to a variety of species including pipistrelle bats, roe deer and a host of insects and plant life. The site is thought to be derived from the historic Baddesley Common complex and has close characteristics with the New Forest. It also boasts the remnants of an Iron Age enclosure and associated features.

### Tadburn Meadows Local Nature Reserve, Romsey

**Grid reference: SU367214**

Hidden amongst the houses, Tadburn Meadows covers almost 12 acres and provides a home for a variety of Britain's best loved wildlife and some nationally threatened species. The site boasts a variety of habitats, from a stream more characteristic of the New Forest, to wet woodland and grassland.

### Abbotswood Local Nature Reserve, Romsey

**Grid reference: SU364228**

Abbotswood Local Nature Reserve, located adjacent to the Abbotswood development, has been designated primarily due to the presence of great crested newts, a European protected species. The site contains a host of interesting habitats, including wetlands, ancient semi-natural woodland and grassland. These support a wealth of wildlife. The site also boasts veteran oak trees, estimated to be over 300 years old and each a home to hundreds of other species, making them a hugely important part of the site.

### **Important Note**

The practical tasks that we carry out on our Green Spaces and Nature Reserves can be strenuous, tiring and involve the use of hand tools that some people may find challenging. Please inform the co-ordinator leading the event if you have any medical conditions or concerns that could be a danger to yourself or other volunteers working around you. We reserve the right to restrict your level of participation in certain circumstances. All children under the age of 16 must be accompanied by a responsible adult.
