

## **POLICY STATEMENT**

### **RISK MANAGEMENT**

#### **OVERVIEW**

Romsey Town Council aims to ensure that it follows best practice in the identification, monitoring, evaluation and control of risks in order that as far as is reasonably practicable, risks are eliminated or reduced to an acceptable level.

These will be the areas which are primarily monitored but, not limited to:

Financial control

Assets

Public access

Working environment

Town Events

This will be achieved primarily through:-

The use of the online risk management tool Risk Wizard

The Building Manager will have primary responsibility for maintaining and advising with the Events Manager providing assistance.

#### **DETAIL**

The Council

- (i) will integrate risk management into the culture of the Council.
- (ii) will manage risk in accordance with best practice.
- (iii) will accept legal compliance as a minimum standard.
- (iv) implement legal requirements
- (v) will anticipate and respond, wherever possible, to the changing social, and environmental requirements
- (vi) will raise awareness to the need of risk management.
- (vii) will respond to legislative requirements
- (viii) will maintain a risk management register
